MBY Competition

WIN £2,800 OF GARMIN KIT!

A GARMIN GMR 18 RADAR, COMPLETE WITH SCANSTRUT MOUNT AND A GARMIN GPSMAP 3006C CHART PLOTTER

We're offering one lucky reader the chance to win a Garmin GMR 18 radar plus a GPSmap 3006C chart plotter for their boat.

Ideal for all types and sizes of boat, the 4kW 18in radar is twice as powerful as most other radars of its size and comes with the brand reliability you would expect from GPS market leaders, Garmin. Likewise, the GPSmap 3006C chart plotter, with its large 6in sunlight-readable colour screen, is the ideal choice for motor boats. To make things even easier, Scanstrut are supplying the winner with a PowerTower® mount, so you gain the complete electronics package: simply link the radar to the chart plotter, and you're away.

The GMR 18 and GPSmap 3006C are two of many products available in the 2008 Garmin range, including a full range of touch-screen colour displays (8-15in), hand-held GPS, fishfinders, chart plotters, radar and their very own BlueChart cartography. If you're not lucky enough to win, Garmin and Scanstrut products are available from all leading chandleries and marine electronics retailers. ● If you would like to receive info on Garmin products email sales.europe@garmin.com. Further details and product information may be found at www.garmin.co.uk
