13-07-2009: Scanstrut Presented with Queen's Award for Enterprise

Last Thursday, Totnes based company Scanstrut Ltd, designer and manufacturer of installation solutions for marine electronics, were awarded their 2009 Queen's Award for Enterprise by Devon's Lord-Lieutenant Eric Dancer in a mark of honour from the Queen.

Scanstrut joins an elite group of companies in winning The Queen's Award which puts them amongst the most successful of UK businesses. Awarded for outstanding performance in International sales, the assessment process is extremely rigorous with only a handful of the very best UK companies succeeding.
